

2017 CANADIAN GRAND PRIX

From	The FIA Stewards of the Meeting	Document	15
To	The Team Manager, Scuderia Toro Rosso	Date	09 June 2017
		Time	16:32

The Stewards, having received a report from the Race Director, summoned (documents 11 & 12) and heard the drivers and team representatives, and examined video evidence, have considered the following matter and determine the following:

No / Driver 55 - Carlos Sainz

Competitor Scuderia Toro Rosso

Time 14:38

Session Practice 2

Fact Car 55 drove unnecessarily slowly in turn 13.

Offence Breach of Article 27.4 of the FIA Formula One Sporting Regulations.

Decision Reprimand.
(This is the drivers 1st reprimand of the current season)

Reason The Stewards heard from Carlos Sainz, the driver of car 55, Kevin Magnussen, the driver of car 20 and the team representatives.

On the straight approaching T13, the driver of car 55 slowed very significantly. He alleged he was unable to see car 20 approaching from the rear. The Stewards noted that the team radio advised him that car 20 was at "T13" (which was incorrect – it was T12 but SAI would have realised this) and advised him to watch his mirrors as there were two cars behind. SAI admitted he did not realise he was "out of phase" with MAG whom he thought was also on a slow lap, whereas in fact he was on a fast lap.

The resulting speed delta was in excess of 200 km/h.

The Stewards found that this was a potentially dangerous situation.
