Level 17

The scene for an unforgettable event

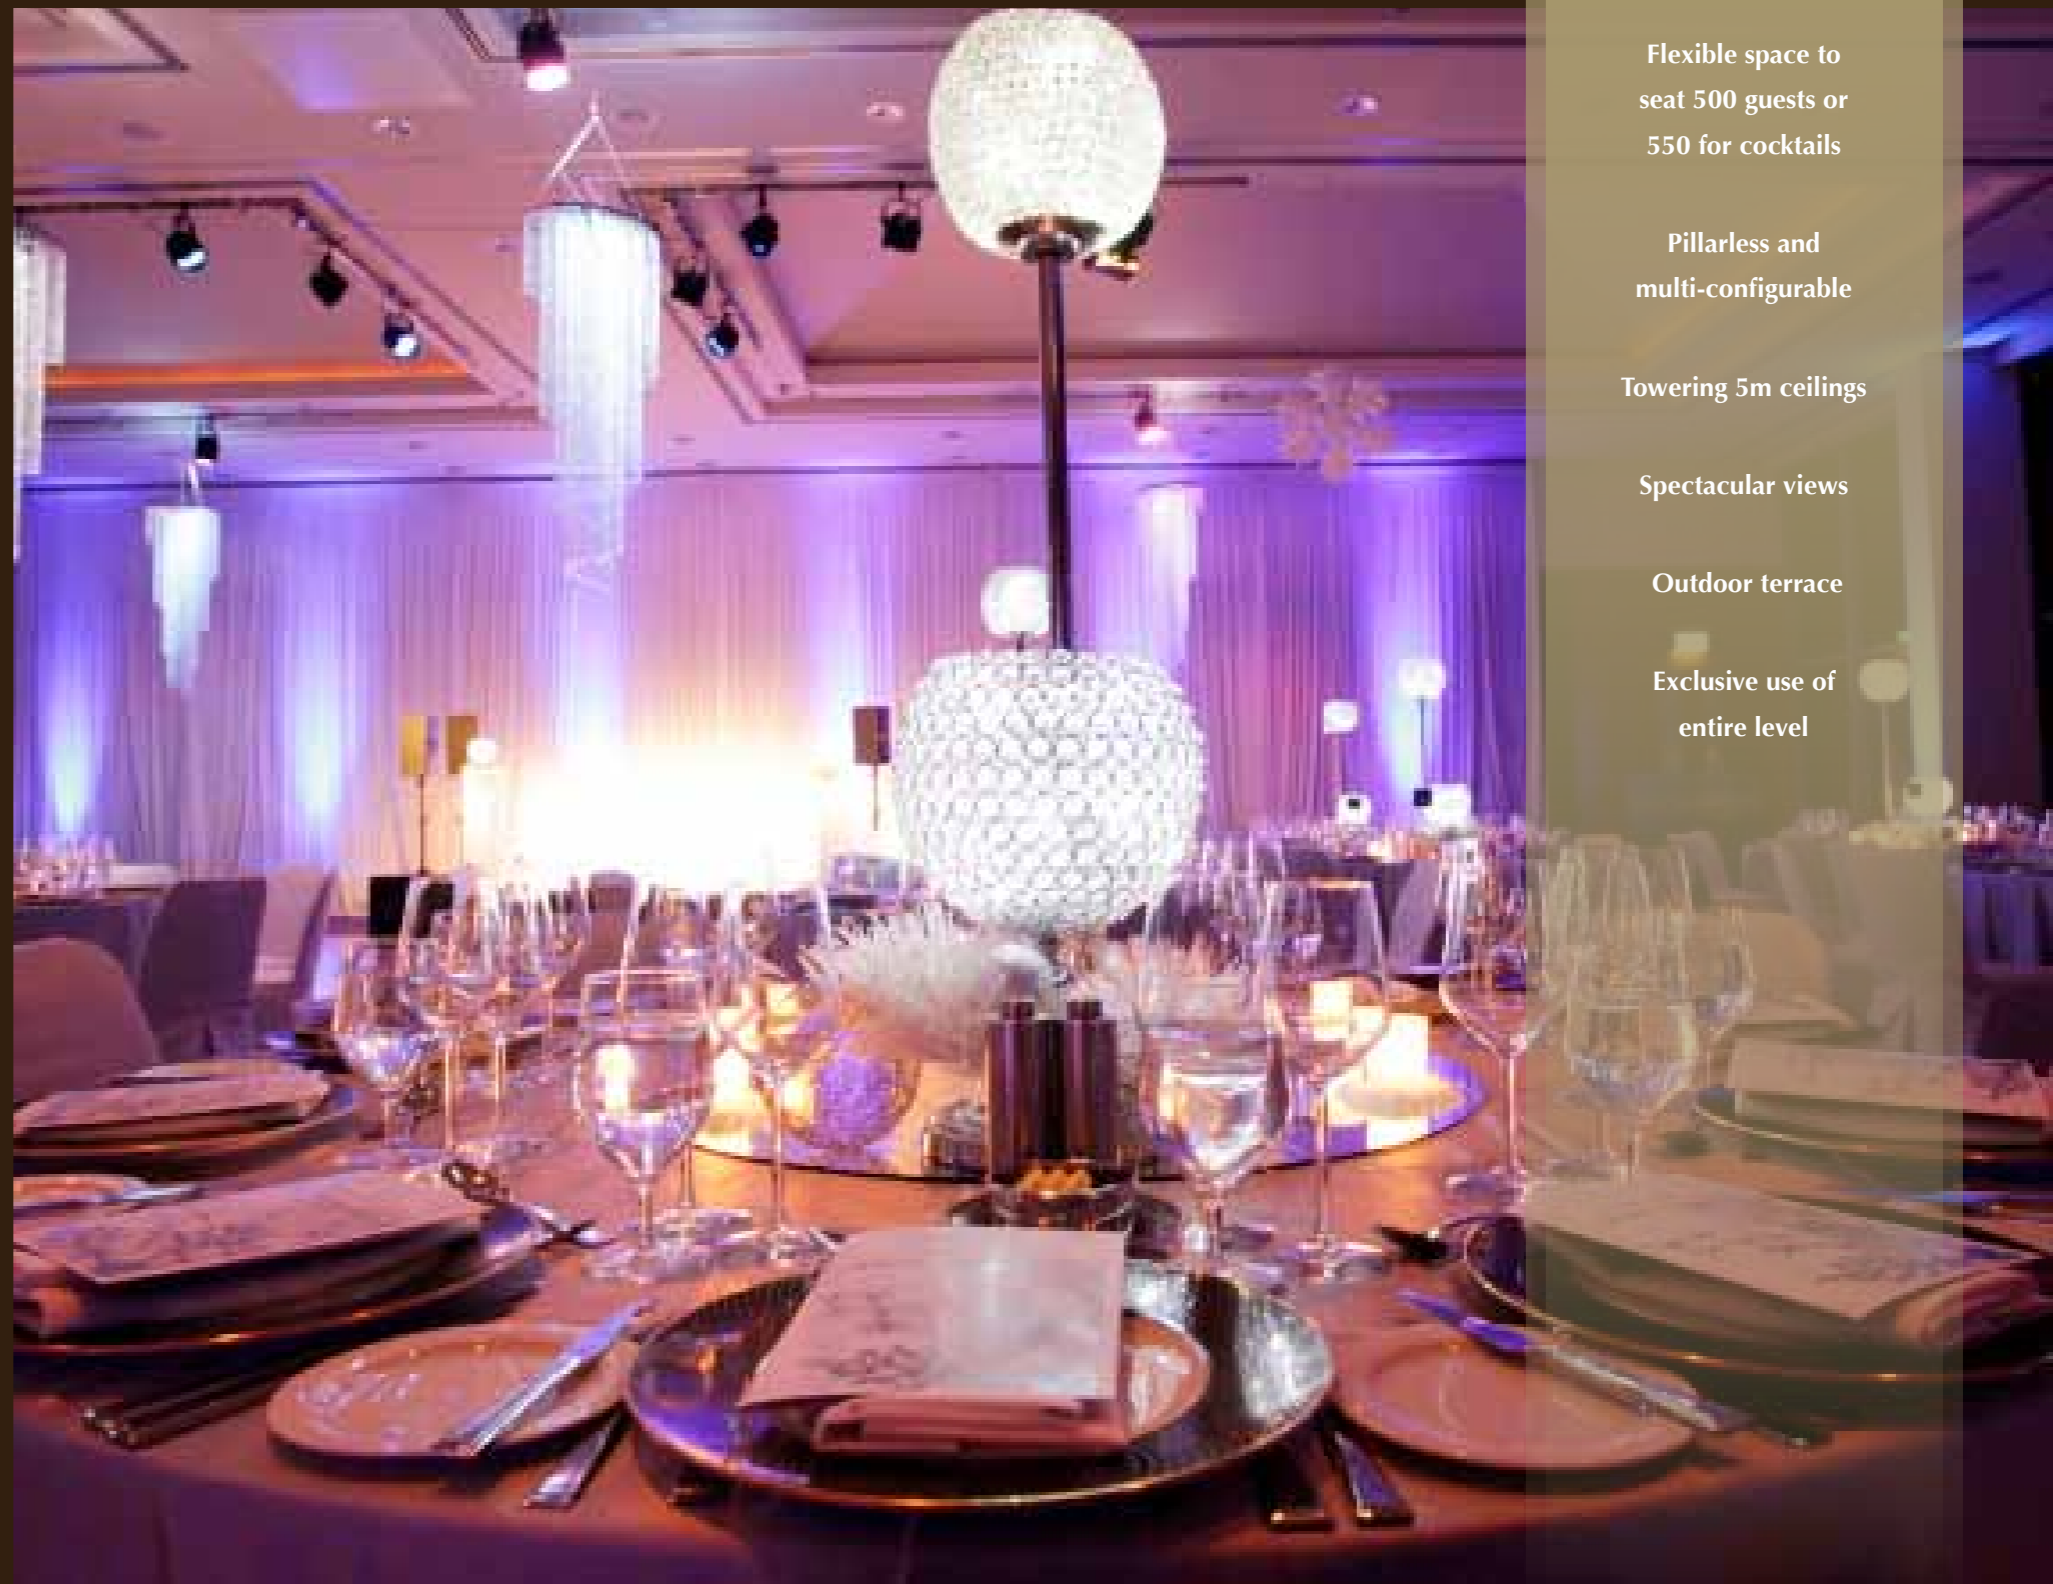

Spectacular views and distinctive cuisine are fundamental in creating an unforgettable event. The feature room on Level 17 is multi-configurable and can be themed to suit any need, making it perfect for any gala or conference event.

An outdoor terrace with breathtaking views over Melbourne and Port Phillip Bay complements the high ceilings, spacious foyer and lounge area. The extensive Conferences & Events menu incorporates the highlights of the City Club's eight restaurants and bars.

Using the freshest ingredients, the menu caters for every occasion, from business breakfasts and working lunches to cocktail parties and gourmet dinners – even a casual barbecue on the terrace. The innovative and creative selection means there is something to suit every taste.

The professional and friendly Conferences & Events team is committed to helping you create an event to remember. They specialise in assisting with anything from the personal requirements for a wedding or family celebration to the sophisticated communication needs of business conferences, gala events, exhibitions or product launches.

The very latest technology, including wireless broadband, data projector and retractable screen technology, is also available to ensure your event is a success.

Level 2

Roof top elegance with first class facilities

Level 2 is the heart of RACV Club's conferences and events facilities. An inviting and welcoming atmosphere ensures your guests and conference delegates feel instantly at home.

The spectacular new Club Pavilion is the latest addition to Level 2. This contemporary and flexible space features floor to ceiling glass windows providing an abundance of natural light. Enjoy direct access to an outdoor terrace, cutting edge lighting and AV technology alongside a showstopping crystal chandelier suspended from the skylight. With banquet style capacity for up to 120 guests, it is suitable for both day and evening functions.

For the all important business meeting, five meeting rooms are available or as a combination of two or three rooms. Movable walls within each group of rooms enable up to 180 guests to be accommodated at a time.

Each room is spacious, with natural light, opening onto a welcoming foyer or a spacious outdoor terrace area. Data projectors, retractable screens, security cupboards and wireless broadband access are installed in each location. Expert technical AV services are available at any time to assist with sound, projection or lighting.

Take advantage of the fully equipped business centre offering a wide range of services, including PC access, printing, photocopying and secretarial services. An expansive reference library offers print and online resources to support any research or workshop.
