**Update of Appendix L Chapter I “FIA International Drivers’ Licences” – Article 4  
“Qualification for Grades A and B”**

Dear Sir or Madam,

We would like to inform you that the qualification requirements for the Grade A licence regulations were updated following the World Motor Sport Council held in September in Paris, and can be found on the FIA website at the following link: [www.fia.com](http://www.fia.com).

In addition to the previous requirements, the new regulations allow a driver who has finished in the first 5 places in the general classification of 5 races of the FIA F3 European Championship within the 24 months prior to the Grade A application to be eligible for a Grade A licence.

The updated regulation is applicable immediately.

We remain at your disposal for any further information you may require.

Yours faithfully,

Yvan DEVIGNE
