1. Introduction

The FIA and the Real Federación Española de Automovilismo (RFEdA) will sanction the FIA MOTORSPORT GAMES: AUTO SLALOM competition (“the Competition”), which is the property of the FIA. All the participating parties (FIA, ASNs, Organisers, promoter, competitors and circuit) undertake to apply, as well as observe, the rules governing the Competition. The Competition will be held from 23rd to 27th October 2024 as part of the FIA Motorsport Games.

Should any dispute arise during the Event, the panel of the Stewards of the Competition will be the only authority competent to make a decision, as per Article 11.9 of the International Sporting Code (“the Code”).

The Auto Slalom title will be awarded to the winning nation, comprised of one female and one male driver each, of the Competition.

Only the FIA is entitled to grant waivers to these Sporting Regulations.

The Auto Slalom category is run over one single competition.

The number of entries for the competition will be limited to 30 nations (ASNs).

The Competition will comprise up to eight driving sessions per driver, depending on the number of entered nations.

The Competition will have the status of Restricted National Competition entered on the RFEdA National Sporting Calendar as a National Competition with authorized foreign participation.

2. Regulations

2.1. The final text of these Sporting Regulations shall be the English version which will be used should any dispute arise as to their interpretation. Headings in this document are for ease of reference only and do not form part of these Sporting Regulations.

2.2. Clarification, interpretation and arbitration of any rules, requirements and regulations not covered by the FIA ‘General Prescriptions’ and Specific Regulations, Code and Technical Regulations shall be decided by the Stewards of the Competition.

2.3. These Sporting Regulations come into force from the time of their publication on the FIA website (www.fia.com) and replace all previous Sporting Regulations.

3. General Undertaking

All drivers, competitors and officials participating in the Competition undertake, on behalf of themselves, their employees and agents, to observe all the provisions, as supplemented or amended, of the Code, FIA Official Bulletins, the FIA Motorsport Games 2024 Event Regulations and the present Sporting Regulations.

4. Eligible Drivers

All competing drivers must be minimum 16 years old at the date of the Competition.

Drivers shall be selected by their respective ASNs. Each national team must be composed on a mixed gender basis (one female and one male driver).

Driver must hold a passport from the same country as the ASN he/she represents.

Driver must have appropriate ASN National License.

5. Entries

- 5.1. Entries will open on 04.03.2024 on a dedicated Registration platform.
- 5.2. All entries must be complete no later than 23.09.2024 using the abovementioned platform.
- 5.3. Changes of Competitor after 23.09.2024 may be made only with written approval from the Organiser.
- 5.4. Each Competitor shall pay a non-refundable entry fee of €1000 to the FIA.
- 5.5. Entries can be submitted either by the ASN or by the Competitor.
- 5.6. A Driver's profile can be created using the following link: <https://motorsportgames-registration.fia.com/account-creation/driver>. Applicants need to inform their respective ASN about their interest in participating before the submission of the entry. Further information on the process is described in the FIA Motorsport Games 2024 Event Regulations.
- 5.7. The official entry list of selected Teams and Drivers will be confirmed by the FIA, no later than 16.10.2024.

6. Driver Equipment

6.1. Helmet

Drivers must wear an open or full-face helmet in compliance with one of the helmet standards recognized by FIA and listed in Technical List N°25.

6.2. Clothing

Clothing of flammable synthetic material, such as nylon, is not acceptable. Flame-retardant overalls and underwear complying with the FIA Standard 8856-2000 or 8856-2018 are recommended.

6.3. Shoes

Enclosed shoes compulsory.

Shoes with leather uppers that cover the foot or shoes which have a leather upper but which includes elasticized ankle regions (e.g. elastic-sided work boots) are compulsory.

Shoes complying with the FIA Standard 8856-2000 or 8856-2018 are recommended.

7. Eligible Cars

The FIA will provide drivers with the cars for the Competition. The vehicle type will be electric street FWD car.

Every driver will have the possibility of trying out the seat, according to the timetable.

8. Running of the Competition

For the Competition, two equal slalom courses (course 1 and course 2) will be created.

The layout and the routing of the courses will be published on the official noticeboard on site.

All drivers will have the possibility of a course recognition before the start of the Competition, according to the timetable.

Each driver will drive in all sessions, completing three laps of the course concerned. The first lap is a test lap. Laps two and three are the timed competition runs. Session times will be the accumulated times of lap 2 and lap 3, plus possible time penalties.

9. Penalties

For each of the following violations, a time penalty will be added to the driver's session time:

- 9.1. A three-second time penalty will be added for knocking over a cone or moving a cone out of its defined marked area on the ground.
- 9.2. A ten-second time penalty will be added if a driver fails to stop within the designated finishing area.
- 9.3. A ten-second time penalty will be added if a driver does not follow the predetermined course.
- 9.4. In case of failure to attempt a session, the driver is assigned the session time of the slowest classified driver, plus a ten-second penalty.
- 9.5. Failure to attempt a lap or a session at a driver's scheduled time slot leads to an added ten-second penalty.

10. Event Format

10.1. Session 1 of the Competition

- The two drivers of each nation will be randomly separated into group 1 and group 2.
- The starting order of each group will be randomly established.
- All drivers of group 1 will start on course 1 and all drivers of group 2 will start on course 2.
- Session 1 will serve as a practice session only.

10.2. Session 2 of the Competition

- The two drivers of each nation will be separated into group 1 and group 2 randomly.
- The starting order of each group will be established according to the results of session 1, with the slowest drivers starting first.

- All drivers of group 1 will start on course 1 and all drivers of group 2 will start on course 2.

10.3. Session 3 of the Competition

- The starting order of each group will be similar to the order established for session 2.
- All drivers of group 1 will start on course 2 and all drivers of group 2 will start on course 1.

10.4. Running of Session 2 and Session 3

- Each driver will drive three laps of the course concerned. The first lap is the test lap. Laps two and three are the timed competition runs. Session times will be the accumulated times of lap 2 and lap 3, plus possible time penalties.
- After sessions 2 and 3, a classification will be established based on the time (plus any possible time penalties) of the four competition runs of driver 1 and driver 2 of each nation.
- The first sixteen nations will qualify for the round of 16.

10.5. Session 4 (Round of 16) of the Competition

According to the classification after sessions 2 and 3, a knock-out stage will be carried out as follows:

- Nation in position 1 versus nation in position 16
