During P1 at 10:28 members of the Mercedes AMG Petronas F1 Team covered the underside, rear diffuser area and the front wing of car number 06 when it was brought back to the paddock after it having stopped on the circuit due to a mechanical problem.

As the car hasn't suffered any kind of accident damage this in my opinion is a breach of Article 27.4 of the 2015 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.
