Technical Delegate's Report

After the qualifying session the gearbox of car number 99, driver Antonio Giovinazzi, was replaced for a different one.

This gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2019 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.

The team informed the technical delegate about the gearbox change on 11 May 2019, at 16:46 hours.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned, this being in accordance with Article 34.2 of the 2019 Formula One Sporting Regulations.
