At the request of the Race Director the stewards reviewed an incident during Q1 at 16:07 at turn eight under a single yellow flag, to ensure that all drivers involved acknowledged the yellow flag and reacted appropriately under the regulations. Both Car 3 (Daniel Ricciardo) and Car 10 (Pierre Gasly) went past the incident and a review of their telemetry and timing data showed that they acted as required by the regulations.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 10.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
