Updates 2021 F2 Sporting Regulations

The amendments to the regulations have been underlined and coloured **pink** for your attention.

- 17.2 Appeals may not be made against decision concerning the following:
- c) Any decision taken by the stewards in relation to Article 34.2.
- 24.1 At each Event the single tyre manufacturer (the Supplier) appointed by the Promoter will provide:
- h) A set of tyres will be deemed to comprise two front and two rear tyres all of which must be of the same specification. Any driver who uses a set of tyres of differing specifications during the race may not complete more than three laps on this set before changing them for a set of tyres of the same specification. A penalty under Article 40.3(d) will be imposed on any driver who does not change tyres within three laps.
- 24.15 If race three is suspended and cannot be re-started, thirty seconds will be added to the elapsed time of any driver who was unable to use both specifications of dry-weather tyre during the race. However, any driver who completes race **three** without using both specifications of dry-weather tyre will be disqualified from the race results.
- 38.2 If more than one car is affected they must line up in the order in which they qualified **for that race**.
