

2022 MONZA EVENT

8 to 11 September 2022

From	The Stewards	Document	19
To	The Team Manager, Campos Racing	Date	09 September 2022
		Time	15:32

The Stewards have considered the following matter and determine the following:

Team Manager Enrique Colomina

Competitor Campos Racing

Time 10:44

Session Practice

Fact Driver Guest standing in the working environs of the pit lane at 10:44 during the Practice Session.

Offence Alleged breach of Article 2.1 of the FIA Formula 2 Sporting Regulations.

Decision No further action.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 12) and Ralph Boschung (Driver of Car 15) and Carl Runefelt also attended the Hearing.

Mr Carl Runefelt's credentials were reviewed and it was confirmed that he did hold a Support Race Pit Lane pass. However Mr Runefelt was standing in a position that would reasonably be considered dangerous and denoted as "F2 Teams Working Area, Inner Lane" as defined in the Race Director Event Notes (document 3). The dangers of the active pit lane were reinforced and Mr Runefelt responded that he generally relies on instructions from the Team as to where he can stand and view the active session. In this case he reported that there was an opportunity to be on camera so he stood nearer the front of the car when it was exiting the pit position. Such a position is dangerous and it was unnecessary for him to be in that location.

Mr Runefelt was advised that it is his responsibility to adhere to the conditions of the issuance of his pass and to avoid unnecessary risk for himself and others. Further he was advised that should he be found to be in a dangerous position unnecessarily in the future the Stewards may for his own safety have him removed from the controlled areas.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
