From	The Stewards	Document	14
To	The Team Manager, Campos Racing	Date	09 September 2022
		Time	13:09

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

Team Manager Enrique Colomina

Competitor Campos Racing

Time 10:28

Session Practice

Fact Mechanic retrieved the tyre following the pit stop for Car 15 without wearing helmet protection.

Offence Breach of Article 28.10 of the FIA Formula 2 Sporting Regulations.

Decision No further action.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 8).

The Stewards heard the information from the Team Manager who stated that the mechanic was not pit stop crew. The Stewards consulted the Technical Delegate.

Having considered the matter extensively, the Stewards determined that the mechanic was not involved as part of the pit stop crew. Car 15 had departed the pits after completing his pit stop. The mechanic then retrieved the tyre. This negates the requirement for him to wear the protective items as detailed in SR 28.10.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
