The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 14 - Enzo Fittipaldi

**Competitor** Van Amersfoort Racing

**Time** 14:55

**Session** Race 1

**Fact** During the pit stop for Car 14 (Fittipaldi) the front right tyre was not laid flat and it rolled towards the fast lane.

**Infringement** Breach of Article 12.2.1.i of the FIA International Sporting Code.

**Decision** A fine of 500 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

**Reason** The Stewards examined video evidence. They summoned and heard the team representative (document 40).

Having considered the matter extensively, the Stewards determined that VAR team mates completed a double stack pit stop. When the second driver stopped at the pit stop position the mechanic on the right front wheel repositioned one of the wheels to make room for the procedure and in so doing did not lay it flat as prescribed by the Race Director Event Notes (document 30) Page 14 - RD Communication, Page 2 item 3 - tyres must be laid flat.

The wheel settled about 2 meters outside the pit stop position just short of entering the fast lane. The standard fine is assessed and the team is reminded of the safety issues that can result in wheels not being placed flat and securely in the pit lane.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
