From	The Stewards	Document	47
To	The Team Manager, Invicta Racing	Date	19 May 2024
		Time	12:15

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 9 - Kush Maini

Competitor Invicta Racing

Time 10:03

Session Race 2

Fact Timing issued a report indicating that Car 9 had committed a jump start infringement, which was subsequently retracted.

Infringement Alleged breach of Article 37.13 of the FIA Formula 2 Sporting Regulations.

Decision No further action.

Reason The Stewards received a start report from Timing indicating a jump start by Car 9. This report is generated based upon the required FIA approved and supplied transponder. The start reports are taken at face value and penalized as an infringement pursuant Article 37.13 which mandates one of three penalties. The Stewards could not visually confirm the movement detected by the transponder, determined that the infraction was of the most minor nature possible, and issued a five second penalty (the lowest of the three possible penalties).
Subsequently, Timing indicated that the start report was in error. Given that Car 9 had not yet completed its mandatory pit stop, the stewards elected to rescind the unserved penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
