Technical Delegate's Report

After the free practice session:

Car #14 was found with planks (plank numbers: 105215 and 105216) fitted to the cars which were marked but not nominated for the respective cars.

With reference to Art. 24.16 of the Formula 3 Sporting Regulations the number of planks (reference F31903A006 and F31903A007) a car may use during the Competitions of the 2024 season is limited to the number of Competitions plus 2 for both the front and rear part of the plank. The planks will be marked with a serial number.

Competitors have to declare the serial number of not previously used planks fitted to the car at least one hour prior the start of the session in writing to the FIA Technical Delegate. It is the responsibility of the Competitor to ensure that only marked and declared planks are used during any Practice session or Race.
