		Time	12:22

Technical Delegate's Report

After Race 2:

All four tyre pressures of car 2 were found below the limit defined in the Pirelli Technical Preview. This is not in conformity of the FIA Formula 3 Championship Technical Regulations. With reference to Art. 12.9 the minimum tyre pressures, as defined in the technical preview from the tyre manufacturer, have to be respected at any time during Events.

Minimum front tyre pressure defined by the Pirelli Technical Preview: 15.5 PSI

Minimum rear tyre pressure defined by the Pirelli Technical Preview: 14.5 PSI

The following measurements were taken on car number 2 during parc fermé after Race 2

Front left tyre pressure: 14.89 PSI

Front right tyre pressure: 14.69 PSI

Rear left tyre pressure: 14.09 PSI

Rear right tyre pressure: 13.76 PSI
