Technical Delegate's Report

With reference to Art. 3.4.1 of the 2024 FIA F2 Championship Technical Regulations, the height of the left undertray front external strake of car 9 was found to be below the required minimum height. After the Qualifying, the undertray front external strake was found to be 6.1 mm lower than the minimum height stipulated in Art. 3.4.1.

After taking the tolerance of 5 mm into account (defined in Art. 3.4.2.), the undertray front external strake is 1.1 mm below the limit.
