Session Race 2

Fact Dry-ice pellets were reported as coming out of Car 3 at Turn 15 on the Formation Lap.

Infringement Breach of Article 7.2 of the FIA Formula 2 Technical Regulations.

Decision A fine of 1000 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

In addition, a 5 place grid drop suspended until the end of this season, which will be implemented for any similar violation.

Reason The Stewards examined video evidence. They summoned and heard the team representative (document 51) and heard the FIA Technical Delegate.

Video evidence shows dry-ice pellets coming out of Car 3 at Turn 15, which caused Car 10 to spin during the formation lap before the start of the race.

Having considered the matter extensively the Stewards determined that this behavior creates a potential safety issue. It is also viewed as a possible way of gaining a sporting advantage.

Finally, the Stewards remind the team that according to Article 7.2 of the FIA F2 Technical Regulations "It is the Competitors responsibility to ensure that non- liquid agents are contained within the left-hand radiator duct between the radiator screen and the front face of the radiator itself when the car is running on track".

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
