Session Race 1

Fact Team personnel crossing the fast lane created an unsafe situation.

Infringement Breach of Article 12.2.1.h of the FIA International Sporting Code.

Decision A fine of 1,000 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined video evidence. They summoned and heard the Team Representative (Document 40).

At the beginning of the reconnaissance laps the mechanic releasing Car 2 (Mini) waved his car into the fast lane and then stood on the edge of the working pit lane next to the fast lane. At about the same time, Car 29 (Voisin) was released from the adjacent pit box into the fast lane. Rather than waiting for Car 29 to proceed by him in the fast lane, the mechanic quickly moved into the fast lane and crossed it to the pit wall immediately in front of Car 29. While Car 29 did not need to react to this unexpected movement in order to avoid the mechanic, the mechanic's movements constituted a potentially dangerous situation in pit lane for which the mechanic is wholly responsible. The Stewards note that this is the second somewhat similar incident caused in pit lane by a PREMA mechanic this season.

Having considered the matter extensively, the Stewards assess a 1,000 Euro fine in line with previous precedents.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
