The Stewards, having received a report from the Technical Delegate (document 25), summoned (document 27) and heard from the team representative, have considered the following matter and determine the following:

**No / Driver** 16 - Charles Leclerc

**Competitor** Scuderia Ferrari

**Time** 18:26

**Session** Practice 3

**Fact** Failed to follow the procedures in TD 003N.

**Infringement** Breach of Article 30.5 (a) of the FIA Formula One Sporting Regulations.

**Decision** The competitor (Scuderia Ferrari) is fined €5,000.

**Reason** The Stewards heard from the team representative of Car 16 (Charles Leclerc) and reviewed video footage and technical data supplied by the Technical Delegate.

The Team Representative of Ferrari, admitted that the team failed to follow the instructions laid out in Technical Directive 003N, point 2, which specifies that a tyre may be used more than once in a single session, as well as the procedures that must be followed if the team wishes to make adjustments to the tyres such as reducing tyre pressures, which is permitted, but requires that first, tyre temperatures must be obtained and all of this must be done in the presence of a FIA Representative.

These procedures were not followed, which is a breach of Art 30.5a of the FIA F1 Sporting Regulations. The Stewards note that this was during a Free Practice session. In accordance with similar operational tyre infringements in the past, the Stewards issue a fine of €5,000.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
