25 to 28 July 2024

From	The Stewards	Document	50
To	The Team Manager, Campos Racing	Date	27 July 2024
		Time	20:14

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 21 - Josep Maria Marti

Competitor Campos Racing

Time 18:34

Session Race 1

Fact Car 21 (Marti) stopped at Turn 9 in Race 1 due to mechanical issues.

Infringement Alleged breach of Article 22.10 of the FIA Formula 2 Sporting Regulations.

Decision No further action.

Reason The Stewards examined video evidence. They summoned and heard the driver and team representative (document 48).

Car 21 (Marti) suffered a loss of power approaching Turn 12 up to the exit of Turn 14. After resetting the car several times, power came back again and Car 21 entered the pit lane for a team visual check. Nothing was noticed by the team when the car was in pit lane, nor was Car 21 suffering again from power loss. Car 21 exited the pit lane and went back on track as normal but suffered another loss of power between Turn 4 and 5. Following that second technical issue, the driver got the instruction from his team to get back to the pit and retire the car. Exiting Turn 9, Car 21 suffered an electrical issue which forced the Driver to stop the car at the exit of turn 9. In addition, and due to the loss of radio communication with the team, the driver explained he choose to stop on the left side of the track to stay as far as possible from the racing line.

Having considered the matter extensively, the Stewards determined that no further action is necessary.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
