The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**No / Driver** 7 - Jak Crawford

**Competitor** DAMS Lucas Oil

**Time** 11:42

**Session** Practice

**Fact** Car 7 (Crawford) impeded Car 10 (Borteloto) at the entry of Turn 18 in Practice.

**Infringement** Breach of Article 31.6 of the FIA Formula 2 Sporting Regulations.

**Decision** Warning given to the Driver of Car 7.

**Reason** The Stewards examined video & GPS evidence. They summoned and heard the drivers and team representatives (documents 16 & 17).

The Driver of Car 7 explained that he was on a slow lap and didn't get the radio information from his engineer that Car 10 was on a push lap and approaching at a higher speed. The Driver of Car 10 explained he was on a fast lap and was impeded by Car 7.

Having considered the matter, the Stewards determine that the team and driver of Car 7 could have communicated better and avoided what is found to have been unnecessary impeding of Car 10 at Turn 18. Stewards reminded the Driver that pursuant to Item 11.1 of the Race Director's Event Notes, the Driver has to stay out of the racing line on a slow lap.

The stewards elect to impose a warning, the standard penalty for such an infraction in Practice.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
