The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

Team representative PREMA Racing

Competitor PREMA Racing

Time 09:36

Session Race 1

Fact Team personnel crossing the fast lane created an unsafe situation.

Infringement Breach of Article 12.2.1.h of the FIA International Sporting Code.

Decision A fine of 1,000 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined video evidence. They summoned and heard the Team Representative (Document 47).

At the beginning of the reconnaissance lap, Car 28 (Dufek) was released from its pit location into the fast lane.

At that point PREMA team member started crossing the fast lane to the pit wall in a relative pace and crossed immediately in front of Car 28. While Car 28 did not need to take evasive action to avoid the team member, the team member's slow walking pace constituted a potentially dangerous situation in pit lane for which the team member is wholly responsible. The Stewards note that this is the third (somewhat) similar incident caused in pit lane by PREMA team personnel this season.

Having considered the matter extensively, the Stewards assess a 1,000 Euro fine in line with previous precedents.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
