BULLETIN 2 – Joint Race Director & Stewards Statement

After examining the video of Turns 8-10 at the end of the Free Practice Session, the Race Director and Stewards call the attention of all Teams and Drivers to the guidance issued by the Race Director in the pre-event briefing.

That guidance, specifically, was that cars not on a fast lap are to remain off the line in single file if there is any possibility of disrupting a car coming from behind on a fast lap. While after due consideration we took no action on some potential incidents we saw at the end of the Practice Session, Teams and Drivers can expect that such incidents will be addressed much more rigorously during Qualifying and penalties for breaching the Race Director's guidance should be expected.
