From	The Stewards	Document	30
To	The Team Manager, ART Grand Prix	Date	28 June 2024
		Time	18:25

The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

No / Driver 24 - Laurens van Hoepen

Competitor ART Grand Prix

Time 14:21

Session Qualifying

Fact Car 24 (Van Hoepen) was released from the fast lane into the path of Car 20 (Leon) in an unsafe manner in the Pit Lane.

Infringement Alleged breach of Article 28.12 a) of the 2024 FIA Formula 3 Sporting Regulations.

Decision No further action

Reason The Stewards examined video evidence. They summoned and heard the Drivers and Team Representatives (Documents 17 & 16).

During a very busy pit stop period in mid-session Car 20 (Leon) was released from his pit to the fast lane. He was then told to stop and then to go again in quick order. Car 24 (Van Hoepen), two pit positions away downstream was going through a similar start/stop process in his own release. Ultimately, Car 20 did have to break slightly to avoid Car 24, however the Stewards did not deem this an unsafe release and take no further action.

Having considered the matter extensively the Stewards concluded as agreed to by both teams that this was simply a small incident in a very busy Qualifying pit lane with no safety hazard created and neither team disadvantaged.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
