Technical Delegate's Report

After Free Practice:

Car #14 was found with rear brake discs (brake disc number: A118 & A119) fitted to the car which was not nominated for the respective car.

With reference to Art. 24.18 of the Formula 2 Sporting Regulations the number of brake discs (reference F218100914) a car may use in the period commencing with Competition 4 (Imola) until and including Competition 14 (Abu Dhabi) is limited to a total of 28 brake discs. The brake discs will be marked with a serial number. Competitors have to declare the serial number of not previously declared brake discs at least one hour prior the start of the session in writing to the FIA Technical Delegate. It is the responsibility of the Competitor to ensure that only marked and declared brake discs are used during any Practice session or the Races.
