The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

No / Driver 4 - Leonardo Fornaroli

Time 10:50

Session Practice

Fact Car 4 (Fornaroli) did not have the required quantity of fuel available to sample.

Infringement Breach of Article 14.6 of the 2024 FIA Formula 3 Technical Regulations.

Decision Disqualification of Car 4 from the results of the Practice Session.
Removal of all times set by Car 4 in the Practice Session.

All cars originally classified behind Car 4 are moved up one place in the Practice Session classification.

In addition, a fine of 1000 Euros to be paid by the Team. In accordance with Article 12.8.1 of the ISC, fines shall be paid within forty-eight hours of their notification by means of bank transfer to the FIA.

Reason The Stewards examined data evidence. They summoned and heard the Team Representative (Document 10).

Car 4 (Fornaroli) stopped on the edge of the circuit at the end of the session without reaching the Support Paddock. The Technical Delegate reported that Car 4 was not able to provide the 0.8kg fuel sample required to be available in the car at any time during the event. This infringement breaches Article 14.6 of the Formula 3 Technical Regulations.

The Team explained that they made their calculations for determining the fuel load of the car for the session based on the best information available to them, but they underestimated the fuel consumption. The Stewards note that the stoppage of the car caused no safety issue in the session, as it was well handled by the Driver. As this is a breach of the Technical Regulations, the Stewards disqualify Car 4 from the Practice session and assess the Team a 1,000 Euro fine.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
