Technical Delegate's Report

The bodywork specification and the suspension set-up of car numbers 18 and 14 have been changed with the approval of the FIA technical delegate following a written request from the team concerned.

Therefore car numbers 18 and 14 should now be required to start the Sprint from the pit lane according to Article 40.9 of the 2024 Formula One Sporting Regulations.

The suspension set-up of car number 24 has been changed without the approval of the FIA technical delegate.

Therefore car number 24 should now be required to start the Sprint from the pit lane according to Article 40.9 of the 2024 Formula One Sporting Regulations.

I am referring these matters to the stewards for their consideration.
