Technical Delegate's Report

During the [Parc Fermé today](#), the Williams Racing team has made changes to the rear wing specification and to the set-up of the suspension of car number 23, driver Alexander Albon, without the approval of the FIA technical delegate. Therefore car number 23 should now be required to start the Sprint from the pit lane according to Article 40.9 of the 2024 Formula One Sporting Regulations.

Jo Bauer

The FIA Formula One Technical Delegate
