Technical Delegate's Report

With reference to Art. 1.5.2 of the FIA Formula 2 Championship Technical Regulations, the DRS actuator (Part number: GPCOM300320) of car **17** was found to be modified to extend the length of the piston by 1mm which allows a wider opening of the DRS wing (part number: F22405B006).

Once supplied to the competitor, no parts may be modified in any way whatsoever except where specifically permitted.
