The Stewards, having received a report from the Race Director, summoned (document 57) and heard from the driver and team representative, have considered the following matter and determine the following:

**No / Driver** 27 - Nico Hulkenberg

**Competitor** MoneyGram Haas F1 Team

**Time** 16:37

**Session** Race

**Fact** Overtaking under Virtual Safety Car Conditions after the chequered flag.

**Infringement** Breach of Article 12.2.1 h) of the International Sporting Code and/or Article 56.6 of the FIA Formula One Sporting Regulations.

**Decision** Warning.

**Reason** The Stewards heard from the driver of Car 27 (Nico Hulkenberg), team representative and reviewed positioning/marshalling system data.

The driver overtook other cars after the chequered flag, but while a VSC was still being displayed, following the crash at Turn 2. The driver was reminded that while passing after the checkered flag is not unusual, it is prohibited in the case of yellows, safety car or virtual safety car procedures. While the drivers were aware of where the incident was, they could not have known if emergency equipment or marshals were being dispatched onto the track, and so have to proceed with caution.

The Stewards are aware that this has happened earlier this season and was not noticed at the time. We are therefore warning the driver concerned, along with all other competitors. Further breaches may incur significant penalties.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.

Decisions of the Stewards are taken independently of the FIA and are based solely on the relevant regulations, guidelines and evidence presented.
