The Stewards, having received a report from the Technical Delegate, have considered the following matter and determine the following:

**No / Driver** 04 – Nyck De Vries

**Competitor** ART Grand Prix

**Time** 20:25

**Session** Qualifying – scrutineering after qualifying

**Fact** Competitors must ensure that a 0.8kg sample of fuel may be taken from the car at any time during the Event. Car 04 was not able to supply this sample when tested.

**Offence** Breach of Article 14.6 of the 2019 FIA F2 Championship Technical regulations.

**Decision** a) Disqualification of Car 04 from the results of Qualifying.  
b) Cancellation of all lap times set during Qualifying.  
c) Permission given to start Race 1 in a position to be determined by the Stewards.

**Reason** The Stewards examined the evidence. They summoned and heard the team representative (document 22). Having considered the matter extensively, the Stewards determined that the team made a miscalculation on the numbers of laps that had been completed, an additional lap was completed and therefore the fuel load that had been calculated before the start of the session was insufficient. The Team Manager accepted the Stewards decision.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
