Technical Delegate's Report

The gearbox of car number 99, driver Antonio Giovinazzi, was replaced for a new one.

The gearbox has been replaced with the approval of the FIA technical delegate following a written request from the team concerned (requested on 11 July at 17:59hrs), this being in accordance with Article 34.2 of the 2020 Formula One Sporting Regulations.

The gearbox change was before the six consecutive Events expired. Therefore this is not in compliance with Article 23.5a of the 2020 Formula One Sporting Regulations and I am referring this matter to the stewards for their consideration.
