DISCOVER QATAR

Qatar is where cultural authenticity meets modernity, where the sand meets the sea, where people come together to experience unique offerings in culture, sports, business and family entertainment.

Qatar is a land where tradition meets modernity. It is a country that is firmly rooted in its traditional heritage yet with its eyes keenly fixed on the future, and its growing global role in business, politics, and education.

There is a deep respect for the nation's history - archaeological sites and artefacts are painstakingly excavated and cared for - protected in-situ or housed in museums. Qatar is home to everything from neolithic rock carvings, modernist skyscrapers and gentle Dugongs in its glittering waters. This is where ancient dwellings are only a stone's throw from world class museums, glistening malls, desert adventures, and international sports venues.

Qatar holds thrills and novel experiences for all. It offers a window to the past - and a glimpse into the future, all under the umbrella of that famous Arabian hospitality.

VISIT QATAR

QATAR NATIONAL MUSEUM

Designed by Pritzker Prize winning architect Jean Nouvel, the National Museum of Qatar draws inspiration from the country's history and its geology. The museum itself recreates the naturally occurring mineral crystal formations known as the "desert rose". The museum houses 11 galleries through which visitors can witness the changing fortunes of this peninsular nation. Each gallery offers perspective, and a multi-sensory experience.

SOUQ WAQIF

Built on the site of Doha's century old trading market, on the banks of the Wadi Musheireb, Souq Waqif feels like an anachronism, particularly against the backdrop of Doha's dramatic modernist skyline. With its mud-daubed buildings, the market harkens to a bygone era while remaining a hub of activity, where commerce and gossip collide. Souq Waqif's winding alleys offer a tableau of traditional street life.

PLACE VENDOME MALL

Place Vendôme is an extravagant 1,150,000 square meter mall inspired by classic French architecture. Place Vendôme Qatar is one of the country's most recent mall extensions. With its opulent surroundings, excellent decor, and spectacular architecture, this mall oozes grandeur.

The four-floored, open concept mall houses 580 high-end and mid-range stores, including every global fashion brand. Within the nooks and curves of the grand mall, you will find plenty of culinary experiences within cafes, restaurants, and food courts.

AL MAHA ISLAND

Al Maha Island sits on a 230,000 sqm island comprising of entertainment attractions and high-end hospitality services. Featuring Lusail Winter Wonderland, Nammos Beach Club, a high-end dining district of the world's finest restaurants and more, Al Maha Island is the finest getaway combining entertainment and leisure in one place.
