MELBOURNE EVENT

13 TO 16 MARCH 2025

From	The FIA Formula 2 Stewards	Document	54
To	All Officials, All Teams	Date	16 March 2025
		Time	14:10

The Stewards, have considered the following matter, determine the following:

Session: Race 2

Fact: The Race Director determined that the conditions were unsuitable for the start of Race 2 and the window in the schedule for the weekend expired without the possibility for any start.

Decision: Under the Authority of the Stewards contained in ISC Article 11.9.3.r the Stewards decide to stop permanently Race 2.

Reason: The Stewards, having been advised by the Race Director of the unsuitable conditions for the start of the race and having heard from the Race Director that there were no possible adjustments to the schedule that could be made to allow the race to be delayed further so as to await an improvement in the conditions determined that there was no option other than to cancel the race. As such no points will be awarded for Race 2. Take note that the points for pole position in this race were earned at the point of publication of the final grid.
