Technical Delegate's Report

With reference to Art. 3.4.1a of the 2025 FIA F2 Championship Technical Regulations, the height of the Diffusor Strake 1 of car **20** was found to be below the required minimum height. After the Sprint Race, the Diffusor Strake 1 was found to be 7 mm lower than the minimum height stipulated in Art. 3.4.1a. After taking the tolerance of 5 mm into account (defined in Art. 3.4.2), the Diffusor Strake 1 is 2 mm below the limit.
